

STATE OF CONNECTICUT

JUDICIAL BRANCH

**EQUAL EMPLOYMENT
OPPORTUNITY PLAN**

2009-2010

(Period ending 12/31/2010)

**STATE OF CONNECTICUT ~ JUDICIAL BRANCH
EQUAL EMPLOYMENT OPPORTUNITY PLAN
EFFECTIVE JANUARY 1, 2009 – DECEMBER 31, 2010**

POLICY STATEMENT OF COMMITMENT

It is hereby reaffirmed that it is the policy of the Judicial Branch of the State of Connecticut to provide equal employment opportunity to all employees and job applicants, regardless of race, color, religious creed, age, sex, sexual orientation, marital status, national origin, ancestry, learning disability, present or past history of mental disorder, mental retardation or physical disability, including, but not limited to, blindness. This policy applies to all aspects of the employer/employee relationship, including recruitment, selection, appointment, upgrading and promotion, evaluation, conditions and privileges of employment, training, educational assistance, compensation, benefits, transfer, discipline, layoff, recall and termination of employment.

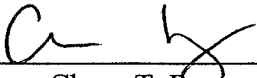

The Judicial Branch complies with the Americans with Disabilities Act and with all federal and state law pertaining to individuals with disabilities. The terms "disability" or "disabled" as used in this policy statement and elsewhere in the Equal Employment Opportunity Plan shall be construed in a manner consistent with the ADA and other pertinent federal and state laws. To this end the Judicial Branch has appointed division representatives to the ADA Committee to ensure continued compliance with the ADA and an ongoing forum to see that needs are identified and addressed throughout the Branch. "Equal Employment Opportunity", as defined by law and governmental regulations, requires affirmative action to overcome the effects of past and present discriminatory practices, policies or other barriers to equal employment opportunity and to ensure the full and fair utilization of women and minorities in all levels of the work force. The goal of the Judicial Branch is to achieve a work force population that is properly balanced and fully represented by women and minorities throughout the organization and to ensure true equality of employment and a work environment that is free of discrimination. Further, the Judicial Branch will make every reasonable accommodation to satisfy the needs of its applicants and employees with disabilities. If employees feel they have been discriminated against, they should contact the Program Manager for EEO within the Administrative Services Division Human Resource Management Unit, Office of the Chief Court Administrator. The Program Manager for EEO is authorized to review and investigate such complaints and identify and mitigate discriminatory practices.

The accompanying Equal Employment Opportunity Plan for 2009-2010 sets forth the continuing course of action the Judicial Branch will take during this period in order to put forth a good-faith effort to attain the goals indicated within the fiscal constraints faced by the State. All managers and supervisors are responsible for implementing the provisions herein.

The Equal Employment Opportunity Plan will be updated and revised periodically to reflect changes in federal and/or state anti-discrimination laws. All employees of the Judicial Branch have the right to review and comment on the Equal Employment Opportunity Plan, a copy of

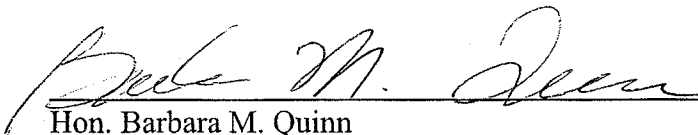

which will be kept at each Branch facility and posted on the Judicial Branch Intranet Webpage. Any questions relating to details of this Plan should be referred to the Program Manager for EEO, Administrative Services Division Human Resource Management Unit (860-706-5288).

OBJECTIVES FOR ACHIEVEMENT

While the Connecticut Judicial Branch is prepared to take the steps set forth below to achieve the goals that have been established, we must acknowledge that our opportunities to recruit new members of the workforce are limited and promotional activity has been curtailed by the fiscal constraints under which state government continues to operate. Given such constraints on recruiting from outside the Branch, we will focus our efforts on filling critical vacancies primarily through the promotion and transfer of existing employees. When opportunities to fill positions arise, every effort will be made to achieve the goals set forth above through promotion of existing employees in the targeted racial or ethnic group.

OFFICIALS AND ADMINISTRATORS:

The Connecticut Judicial Branch will make every effort to promote minorities or recruit as appropriate, for the officials/administrators openings as set forth in the EEOP Goals on the preceding page. This recruitment effort will include advertising in minority publications along with all the major newspapers in the state. Whenever appropriate, recruitment will be done regionally and/or nationally by advertising in professional publications and newspapers. The Branch will also continue recruitment efforts at state colleges and universities, including law schools, and through the Internet.

DISSEMINATION

The Judicial Branch will take the necessary steps to ensure that its Equal Employment Opportunity Plan and EEO and sexual harassment policies are disseminated throughout all its facilities. These steps will include the following:

- Upon its approval, the Equal Employment Opportunity Plan will be distributed to all facilities and made readily available for employee review and comment.
- The EEO policy statement, non-discrimination and sexual harassment policy statements will be distributed to all facilities and posted on bulletin boards throughout each location. The plan will also be posted on the Judicial Branch Intranet Website for review by employees throughout the year. The Human Resource Management Unit will continue to provide support and training to employees and supervisory staff.
- All new employees will be given a copy of the EEO policy statement of commitment and informed as to the location of the Equal Employment Opportunity Plan within their facility.
- The Executive Directors will continue to stress the importance of the EEO program and require managers and supervisors to under-take conscious and deliberate steps toward overcoming adverse practices to achieve the goals set forth in the Equal Employment Opportunity Plan. The Judicial Branch Administrative Policies and Procedures Manual sets forth that EEO goals are in place and that all managers and supervisors must work for their achievement.
- Written comments addressing the Equal Employment Opportunity Plan are encouraged. These comments should be directed to the Program Manager EEO, Human Resource Management, Connecticut Judicial Branch, 90 Washington Street, Hartford, Connecticut.
- All EEO internal communications and written comments received will be dated and maintained by the Program Manager for EEO within Human Resource Management.
- The Human Resource Management Unit will continue to provide assistance to Affirmative Action Division Coordinators. Training needs are being assessed and developed for recruitment of newly appointed coordinators. These Coordinators are

Judicial Branch employee volunteers chosen by their division executive directors. Their mission is to monitor all employment interviews to assure that the hiring and promotional standards of the Branch are upheld.

EXTERNAL DISSEMINATION

The Judicial Branch is committed to the goals of equal employment opportunity and affirmative action and has initiated activities to ensure that Equal Employment Opportunity is more than a paper commitment. The Equal Employment Opportunity Plan is on file with the Commission on Human Rights and Opportunities. Written expression of the commitment of the Judicial Branch to Equal Employment Opportunity and notices of job availability are sent regularly to recruiting sources and organizations that are capable of referring qualified applicants for employment. In addition to maintaining frequent contact with protected-class members and resource agencies, the Judicial Branch is engaged in discussions designed to foster ongoing relationships and develop additional recruiting sources.

In addition, employment advertising omits references to age or gender, except in the case of bona fide occupational qualification or need, and clearly conveys the desire of the Judicial Branch to employ members of protected classes.

The Judicial Branch is firmly committed to meeting the requirements of the Connecticut Supplier Diversity Program as mandated by the Connecticut General Statutes. The Department of Administrative Services (DAS) and the Commission on Human Rights and Opportunities (CHRO) monitor adherence to these regulations.

Under the Administrative Policies and Procedures of the Judicial Branch, the Materials Management Unit shall comply with the State policies for Supplier Diversity. CHRO guidelines require that 25% of all non-exempt state contracts be placed with State Certified Small Business Enterprises (SBE). Of that amount, 25% must go to Minority-owned Business Enterprises (MBE) which include woman owned businesses and business owned by mentally and or physically disabled persons. A record of the performance of the Judicial Branch against established SBE goals is available for inspection by contacting the Director of Materials Management.

In addition, the Judicial Branch refrains from knowingly doing business with any bidder, contractor, subcontractor or supplier of materials barred from participation in any federal or state contract program or found to be in violation of any state or federal antidiscrimination law.

All purchase orders sent to contractors or suppliers doing business with the Judicial Branch contain the requirement that the contractor or supplier comply with all state and federal laws concerning non-discrimination and warrants that the contractor or supplier will not discriminate or permit discrimination against any person or group of persons on the grounds of race, color, religious creed, age, sex, sexual orientation, marital status, national origin, ancestry, present or past history of mental disorder, mental retardation or physical disability, including but not limited to, blindness. Each contractor or supplier is also required, on request to provide the

Judicial Branch with information concerning employment practices and procedures. Contractors and suppliers must also agree, as terms of the purchase order or service agreement, to make a good faith effort to employ minority-owned business enterprises as subcontractors.

The Judicial Branch maintains files containing the name and address of the organization, recruiting source, bidder, contractor, sub-contractor, supplier of materials, and publisher receiving notice of its policy, date of notice, and copies of all communications, statements, advertising and contract provisions. When the cooperation of another agency is essential to the implementation of activity undertaken pursuant to this section, the Judicial Branch keeps records of each instance of contact with such agency.
